eboCom
ELECTRONIC BACK-OFFICE COMMUNICATIONS

Position:	Linux System Administrator	**Employment Status:**	Full Time
Location:	Phoenix, AZ	**Shift:**	1
Experience:	3+ Years	**Weekends:**	Minimal
Salary:	$55k - $95k (DOE)	**Travel Required:**	None

Overview:

Ebocom is a fast-growing technology company that provides full-service back-office payment processing services. "Fast, focused and flexible" is our motto and the eboCom team is the "Best of the Best"! We are looking for an individual to join our team who possesses a positive "can do" attitude and is eager to help support our growth. The ideal candidate is a business-minded, customer-focused and technically savvy with an entrepreneurial spirit that takes pride in their work and their ability to effectuate change.

Responsibilities:

As a key team member, the ideal candidate will have demonstrated experience with the Linux Operating System. The Linux System Administrator is part of the IT team and this individual will design, build, maintain and troubleshoot a secure server and storage infrastructure. Specific responsibilities include:

- Build, secure, maintain and troubleshoot Linux systems (physical and virtual)
- Provide support to Development and Operations teams
- Design and maintain policies and procedures to ensure system availability and optimum performance: enforce standards, policies and guidelines
- Proactively recommend process and development methodology improvements
- Establish and maintain contact with vendors for maintenance and service
- Provide training and support as appropriate
- Create and maintain technical documentation

Basic Requirements:

- 3+ years of increasingly responsible System Administration in Linux
- Sound knowledge and experience of building and troubleshooting servers and workstations
- Ability to work independently with limited guidance in a collaborative team environment
- Self-starter, with strong organization skills and attention to detail
- Effective analytical and problem solving skills
- Ability to manage multiple tasks with shifting priorities

Additional Skill Considerations:

The following skills are a plus for any candidate applying for the position:

- Working knowledge or experience within the Financial Payments system
- Certification: RHCE/Red Hat Certified Engineer
- Working knowledge or experience with Red Hat RDS, RHEV or JBOSS
- Working knowledge or experience with NetApp SAN technology
- Working knowledge or experience with Microsoft Windows

Compensation Benefits:

In addition to your salary, the follow benefits are also provided:

- Annual Loyalty Bonuses
- Company pays 100% for Family Coverage of Medical, Dental and Vision Insurance
- Company pays 100% for Employee Life Insurance
- Company pays 100% for Employee Short-Term and Long-Term Disability Insurance
- Company provides paid Personal Time Off (vacation and sick days)
- Company will buy back up to one week of unused Personal Time Off at the end of each year
- Paid covered parking
- First class work environment
